AFRICA

FIELD WORKERS

 1.3 Million

The second-largest and second-most populous continent. Africa accounts for about 16% of the world's human population, and is home to nearly 2,500 ethnic groups. Africa's largest country is Algeria, and its smallest country is Seychelles, an archipelago off the east coast.

Andy, Brittney, Logan, Ezra and Caleb East Africa

Andy & Brittney are currently working in a large city, the majority of which are Muslim. Of the seven unreached people groups there, their team attempts to engage the three largest through business for transformation. Together, they run a tourism company devoted to seeking opportunities for life on life discipleship with the people they interact with and employ. Their three boys, keep them busy as well!

Pray for deepening relationships with locals as we continue to learn our new location

Pray for our boys and their relationship with the Lord and their hearts to understand him as Savior.

Pray for language acquisition

Heather

North Africa

Heather is teaching English, learning Arabic and building relationships in an isolated area of North Africa. A primary focus of the team is building a groundwork of strategic prayer, but Heather specifically is diving into learning Scripture in the local dialect and developing more language-learning resources for current/future teammates, as well as other teams in the area.

Pray for team unity and vision and more workers for the harvest! This desire includes foreign workers and also unifying and empowering the very few local believers we are aware of.

to be taking and what relationships He wants us to be investing in. Pray God would guide us to these people!

We long to be cooperative with His work and aware of exactly what steps He wants us

Ask God to soften the people's hearts to His truth and open their eyes to their need for what we have been offered in Jesus.

Katie

North Africa

Katie teaches second grade at a small international Christian school where she is able to live out her faith and impact families. She is also part of a team whose focus is to look for opportunities to engage with those around them who are seeking truth in this predominantly Muslim country.

Pray for the teachers and students at our little school as we make our way forward in this "new normal". That we would continue to be a light in this place.

opportunities. We ask for more hungry and thirsty people to cross paths with so we can share our reason for hope.

Pray for opportunities with our neighbors, shop keepers, friends & language tutors. We want to boldly share when we are given

Pray for the country which continues to struggle post Arab Spring. We need leaders with integrity who can bring about economic, social, and political stability.

Steve & Gina Wintermantel (Hazel, Abraham, Josiah, Cyrus)

Christian Veterinary Mission/ AIM / Torit, South Sudan

Steve & Gina's ministry is to come alongside churches and help them to mobilize believers to carry out the Great Commission. Our role is to pray for the Lord to bring workers for the harvest, disciple believers, and help the church equip those the Lord calls to make disciples. We also provide basic training in agriculture and animal husbandry to those who answer the call to go, so that they can better provide for their families. Sudan's churches are filled with children, but few Sunday School teachers. We continue to equip leaders who have a heart to teach children Bible stories.

Pray with us as we mobilize and equip local missionaries

Pray that God will send out workers into the harvest fields of South Sudan

Pray for our children to follow Jesus in their lives: Hazel, Abraham, Josiah, and Cyrus

Joe and Kay Harding

SIM / Ethiopia/Worldwide

Joe & Kay Harding love connecting people around the world for the transformation and flourishing of those where Jesus is least known. Ethiopia and China are at the center of their endeavors of spiritual, medical and business as mission development. They are spearheading projects that will assist in resourcing missionaries from Africa and Asia to the rest of the world.

Pray for the protection and provision for Chinese seeking to serve in Africa and African (primarily Ethiopian) Christians with a desire to live and serve in China.

Please pray for a redevelopment project in Ethiopia that has potential to significantly impact the medical and spiritual needs of people as well as provide financial resources for fulfilling Kingdom purposes.

John Philip Omot

SIM / Ethiopia/Worldwide

John is a Pastor who trains people on introduction to trauma awareness and resilience. He also is involved in peace-building in the Sudan Jonglei Food Security Project. The targeted people are traditional leaders, local Government leaders, Church leaders, women leaders and youth leaders.

Prayers for Murle tribe, they are in conflict with all tribes bordering them.

Prayers for Pochalla South & Pochalla North Anyuak conflict.

The W Family,

North Africa

It is our joy to call North Africa home since 2010. Our hearts' desire is to make disciples who make disciples who make disciples and to see every corner of our nation and region touched by the gospel. Whether it's meeting a seeker for coffee to explain the gospel for the first time, or discipling a new believer or meeting new people through midwifery activities or food and cooking projects or chatting with a neighbor or stranger who inevitably wants to come and give our son a kiss — we seek to take every opportunity to give a reason for the hope we have and see The Kingdom expanded in this Muslim land.

Ask that Father would continue to open doors for the gospel.

Ask for perseverance, protection and proliferation for the small number of believers in the country.

Ask that Father would continue to provide all we need for our son's care and development and that his life would continue to be a blessing to many.

ASIA

FIELD WORKERS

Every day we are engaged in sharing the gospel personally and through our church planters. Pray that many will come to faith.

Pray that we will be sensitive to the Spirit's leading as we grow the ministry into new areas.

We are training new believers to start house churches in resistant areas. Pray for their boldness in proclaiming the gospel.

DUANE DIETZE

Japan/EFCA ReachGlobal

Duane is working with a team of missionaries from EFCA Reach-Global, EFC of Canada Mission, and EFC of Macao to establish Tokyo Multicultural Church (TMC, started in 2013) in Sumida, east of central Tokyo. In April 2019 a Japanese pastor also joined the staff. The vision is for a Christ-centered, Bible-based, disciple-making church for many nations celebrating the God-given diversity of Tokyo, the world's largest metro area.

Though some of our ministries to this point have been in Japanese, including interpretation of the Sunday sermon twice a month, pray that the vision to have a separate Japanese worship service will become a reality in the very near future.

Give thanks that TMC now has a Japanese pastor on staff with the team of missionaries. Motomichi Harada just joined us in April

2019, so pray for him as he joins Duane in leading the Japanese "department."

Pray for the vision of launching another TMC-type church in Tokyo in the next few years, dependent on personnel, finances, and the Lord's leading.

The people group is Muslim so, for their protection, no further details will be included. They are excited to see what God has in store for them and can't wait to share with you all that He is and will be doing in SE Asia.

Pray for successful language acquisition as we learn two languages.

Pray that our family will thrive together and as individuals.

Pray for strong new relationships in both Khmer and our people group.

John & Lily Southeast Asia

John and Lily work alongside indigenous Christian leaders in Southeast Asia to access unreached people with the gospel and effect positive community change through relief and development.

Pray for freedom for the Word to spread throughout restricted countries and to unreached groups of people.

1 Corinthians 13:12 "We don't yet see things clearly. We're squinting in a fog, peering through a mist. But it won't be long before the weather clears and the sun shines bright! We'll see it all then, see it all as clearly as God sees us, knowing him directly just as he knows us!"

Pray for protection for our indigenous evangelists as they seek and serve the lost.

Pray for guidance as we seek Kingdom expanding opportunities.

Jordan & Alainna Southeast Asia

Kipp & Anna (Josiah, Asia, Levi, Keon, Simon, & Isaiah) SE Asia

Kipp & Anna help run a holistic, vocational boarding school for students, ages 17-23, from poor villages in rural areas who do not have the opportunity to go to school. Their vision is that Lao youth would be reconciled with God so they can be effective servants of positive influence in their families, communities, and churches.

Pray for our students as some will hear about Jesus for the first time and some may not know Jesus that well yet.

Pray for our family as we juggle our ministry at the school, and our ministry at home with our family.

Pray for our staff as they lead their families and students into a closer walk with Jesus.

Christina Winrich

OMF-International / Sapporo, Japan

Christina will be working with an OMF missionary team in a coffee shop and church planting ministry, reaching out to people who have little to no connection with Christians. Our aim is to introduce people to Jesus in the context of building relationships with them, and then to make disciples who will be passionate about making other disciples. Christina will also be working with university students on a nearby campus, mentoring Christian students and sharing the gospel with those who don't yet know Jesus.

Pray for Japanese lay Christians to receive the Lord's burden for their communities and families, and to become His loving, faithful, and bold witnesses.

Pray for local churches in Japan to work together to see God's kingdom grow in power, seeing lives transformed as people come to love and follow Jesus. For church workers- local and foreign- to be sustained by God's joy.

Pray for spiritual strongholds to be broken- especially strongholds of depression, loneliness, and idolatry- so that the spiritual eyes of many may be opened to Jesus' beauty and goodness.

Mike & Rachel

Southeast Asia

Mike and Rachel live in a major city of Southeast Asia. They work alongside local people to mobilize neighborhood assets to address urban issues. They share the good news about Jesus so that people can experience restored relationships with God, self, and others.

Pray God will use our soccer program to empower at-risk youth to make good choices.

Pray God will lead us to people who are ready to follow Him, who will also share the good news of Jesus with their families.

Pray God will transform each member of our family into the image of Christ through the Word of God and the internal ministry of the Holy Spirit.

"I will call them 'my people' who are not my people; and I will call her 'my loved one' who is not my loved one." Romans 9:25/Hosea 2:23

Janine uses social media opportunities to reach Unreached People Groups in the Middle East. Using a secure platform, she creates content and recruits volunteers to engage with people who are learning English. Using those conversations, they build relationships and share the gospel. She is also working with a national couple to reach their country with Christian messages and counseling advice over social media. She volunteers with a small church plant that reaches out to University students from the Middle East and Africa.

Pray for the team's spiritual resilience as we constantly come up against spiritual darkness.

Ask that the people we are reaching out to

would dream dreams and see visions.

Praise God for the harvest, no matter how small, and His provision for the ministry.

Dan has written several books on how to share effectively with Muslims (danwickwire.com). Dan & Devri frequently give seminars on how to share the Gospel effectively with Muslims in the Middle East and they are daily involved in Prayer House ministry.

Please pray for the Turkish believers who meet together in our house fellowship to grow in their love for the Lord and for each other.

Pray that the Lord will continue to use us as we train and encourage new workers who

want to move into the Middle East to work with Muslims.

Pray that we would learn the art of loving our boys, their families and our grandchildren from afar, mixed with occasional visits to the States.

AUSTRALIA

FIELD WORKERS

42,677,813

Australia is the largest country in Oceania and the world's sixth-largest country. Australia's capital is Canberra, and its largest city is Sydney. Indigenous Australians inhabited the continent for about 65,000 years prior to the first arrival of Dutch explorers who named it New Holland.

Samuel & Karis Giunta

Pray we would continue to pursue God above anything else, choose humility and vulnerability in a role of leadership, and proceed to grow a strong foundation in our marriage.

Pray for student/community volunteers to be identified so we can expand our ministry throughout the year.

Pray for our Kids Bible Club to be effective in reaching out to international children and their families.

Josh & Josie Dyck

Ethnos360 / Indonesia/Worldwide

After twelve years in Indonesia, Josh & Josie have continued their ministry remotely from Wisconsin since 2018. They work with the leadership team to oversee and support finance, personnel, administration, aviation and related IT systems. This provides the necessary infrastructure for frontline church planters and translators to serve among isolated people groups across Indonesia. Josh also works with a broader global IT team to offer similar resources and technical support to other Ethnos affiliates around the world.

Pray for efficiency to manage tasks and communication while being thirteen time zones away.

Pray for Josie as she pursues ministry opportunities to use her counseling background as she pursues a Master's degree in counseling.

Pray for continued wisdom to lead and disciple our children – Spencer & Mitchell in college and Julia & Katrina in high school.

Andrew & Megan Florestano

Navigators / South Dakota State University

Andrew and Megan Florestano serve with the Navigators collegiate ministry at South Dakota State University, in Brookings, SD. Their aim is to reach college students with the gospel of Jesus, establish them in their faith, and equip them to be "laborers in the harvest" in their own spheres of influence, both on campus and in their lives post-graduation. They want to see students to focus on individual people, with an eye towards spiritual multiplication through generations of disciple-makers.

Pray for clarity and courage in sharing the Gospel with non-believers on campus.

Pray for wisdom in training student leaders to be effective Kingdom laborers.

Pray for spiritual rest and trust in the Lord for both of us, as ministers and parents.

April Foat/Alex Holle

Pray for student leaders to guide those the Lord has put under their leadership.

Pray for incoming students to find out about our ministry and a desire to get plugged in.

Pray for our efforts to share the gospel across campus: that InterVarsity students would be bold in proclaiming Jesus and would be open to learning more about Christianity.

Larry & Jill Goring

Ethnos 360 Headquarters / Florida, US

Larry & Jill spent 31 years in Indonesia and the Philippines in church planting, consultant, and leadership roles. Larry is currently the director of Global Partners International Ministries Team. Jill is a Bible translation consultant and the author of the four volume RockSolid-Kids: Drawing Kids to God's Unchanging Heart, a foundational Bible teaching program. The Gorings live in central Florida and travel frequently around the world as a part of their ministry.

Pray for all mission efforts, that we will be useful to God's purpose and flexible to the changing challenges and opportunities that are unfolding daily. The road ahead will not be the same road we were on just a year ago.

As doors slam to Christian ministry in more and more parts of the globe, windows fly open in the same areas. Pray that we would know which training invitations to accept as we seek to serve the Church in the middle east, central Africa, and all over Asia.

Pray for the ongoing need for communicative translations and foundational Bible teaching materials in the world's 'gateway' languages—Hindi, Swahili, Hmong—which will be strong bridges to the majority of the least-reached people groups.

Josh Green

InterVarsity Christian Fellowship / Marquette University

InterVarsity is a multi-ethnic, inter-denominational group of students on campus. We raise and develop students to lead their peers in Scripture study, evangelistic outreach, prayer, while also engaging in ethnic reconciliation and justice issues. Our hope is to see these students change the campus as a whole, being equipped to serve Jesus on mission for the rest of their lives.

Pray for a deeper hunger and thirst for more of God for all students and staff involved in the ministry. It can be too easy to be over-committed to programs and miss the longing for more of God in the midst of the work that we do.

Pray for partners in this mission! Whether it be alumni or volunteers who serve in mentoring/discipling students, leading ministry themselves, praying regularly, or giving

financially, we are always looking for more people to join this work of redeeming and renewing the campus.

Pray for an urgency in sharing the gospel. Many people make significant decisions between the ages of 18-22 that shape the course of the rest of their lives, and we long to see more people decide to follow Jesus with their whole lives during their college years.

Sam and Meghan Gryzwa

CRU / Manhattan, New York City

Meghan helps lead a team of 10 Cru staff (of which Sam is a part!) to reach 400,000+ college students with the Gospel. Right now we help lead student movements on 10 different campuses. Day to day we share our faith with lost students across the city, meet to disciple Christian student leaders, lead Bible studies, speak and teach at student gatherings, and train and equip students to love Jesus, lead their peers, and live out their faith for a lifetime. God has given us a vision to raise up students who will love Jesus, live as disciples of Christ, and make disciples on their campuses.

Pray for freshmen - pray God would plant a deep, profound openness to Jesus in their hearts, and pray we (staff and students leaders alike) would be able to effectively reach them with the Gospel next fall, both in-person and digitally.

Pray for our student leaders - pray for intimacy with Jesus, connection and fellowship with one another, and for flexible, missional hearts as they look toward leading and

reaching their peers with the Gospel. Pray students across NYC would fall in love with Jesus and make disciples who would make disciples.

Pray for us - pray for wisdom as we lead and serve, discernment in the midst of complex ministry, fun and intentionality in our parenthood and our marriage, and clarity and growth in our relationships with Jesus.

mer staff.

Pray for patience and perseverance in parenting Ryan, our adult autistic son.

Their focus is on providing Disciple Making Movement/Church Planting Movement training and coaching. They desire that this training will be used both in Canada and back in the home countries of the people they train. They also travel to parts of Asia to bring this same training which allows for the multiplication of disciples and churches.

Pray for our children, David and Annalies, that they would continue to grow and mature in their faith. Pray that they would follow God's direction and know God's plan for their lives.

Pray for intercessory teams to provide the prayer needed to see breakthroughs for our

teams here and national partners overseas.

Pray for our work in Canada that it might not only reach people in North America but also act as a catalyst for ministry back in the homelands of the people we serve.

Pray for fledgling movements we are working with in SE Asia, South Asia and West Africa to become full movements

Pray for multiplication and maturation of Discovery Bible Groups in the Chicagoland area, especially among Muslim-background people.

Pray for more churches in America—especially ethnic churches—to get involved in DMM outreach to the least-reached

Ask God to bless us with vibrant physical, emotional, relational and spiritual health that we may carry on in this work.

Craig & Tina Holmquist

Fort Wilderness / Rhinelander, WI

Craig & Tina started at Fort Wilderness in 1996. They met and affirmed their call to ministry there. Fort is a year-round Christian camp serving 8,000 campers of all ages and backgrounds. Craig leads the church partnerships, marketing and donor care teams. Tina engages with campers and staff who return year after year. Many call their time at Fort as a “taste of heaven on earth,” where they and their children and grandchildren find reasons to live for Christ.

Pray for wisdom, unity and provision through this COVID season – many adjustments.

Pray for clear direction and movement for the Fort Future campaign – stewarding the new 20 acres of land to expand ministry.

Pray for “Success” in parenting our eight kids through many seasons age 29 down to 6 –and now a first grandson (Hudson) born in March 2020.

Sean & Jenna Kaiser

InterVarsity / Chippewa Valley Campuses

The ministry of InterVarsity equips students and faculty to create witnessing communities that share the gospel within colleges and universities. Sean and Jenna work with the campuses of the Chippewa Valley, leading both staff and students. One of their primary responsibilities is the chapter at UW - Eau Claire, which has had a decades-long legacy of thriving student ministry. The UWEC chapter has an average of thirty to forty small groups and several hundreds of students involved. We also have specific small group ministry for international students, Asian American students, arts students, and athletes.

Pray for curiosity in the current student generation of the Chippewa Valley. Each year students are more likely to be unchurched, have little knowledge of Scripture, but also spiritually open and seeking.

Pray for our staff teams, that God would continue raising up new staff and providing the resources we need.

Pray for these campuses specifically in the Chippewa Valley, that God would continue to open doors for thriving ministry: UW - Eau Claire, Chippewa Valley Technical College, and UW - Stout.

Jim & Donna Kelly

CRU / NE Wisconsin

Jim & Donna seek to turn lost students and faculty into Christ-centered laborers. They serve on multiple campuses in NE Wisconsin directing student led ministries of evangelism and discipleship. They also direct multiple specific movements that focus on International students (Bridges), athletes (Athletes in Action) , and even high school students (Cru High School). Jim and Donna desire to sow seeds broadly on each campus, then provide one on one, small group, and large group discipleship opportunities. They also promote opportunities for training and mission opportunities stateside and throughout the world.

Pray that God would continue to open doors for us to have access to the freshman class each year.

When not traveling they oversee a B&B for pastoral couples in the Czech Republic and direct an outreach ministry through their local church called "Just Like Home."

Pray for spiritual growth unto Christlikeness for our 300+ university students in multi-year, residential discipleship communities (4 in Europe, 18 in Asia).

Change starts in prisons with inmates and spreads to families and communities around the state. Their work engages in key areas where intervention is needed: education, Christian vocation, holistic family development, governance, and economic development. The vision began with the Christian Bilingual University of Congo to develop a community of Christ-centered Congolese leaders who will help create a flourishing DRC. It has expanded to include schools for marginalized children, counseling services, vocational training, mentoring of entrepreneurs, church renewal, and justice initiatives.

Pray for David and Cassie Kasali as they lead the Congo Initiative. Pray for funding for new needed building for Cassie's Place.

Pray that Coronavirus would stay in check in the country and on the UCBC campus.

KIRCHE AM START

Kirche am Start is a church network in Offenbach, Germany, reaching the immigrant community that lives near Frankfurt.
